Dear Megan,

It means the world to me that you had a good experience here. And I can’t express how grateful I am that you shared this with me. Thank you.

We miss you around the office but I’m glad you have cool new experiences on the horizon. Please keep in touch.

All the best,

Cody

Gotta get down on Friday! Fun fun fun fun. Are you too young to get that reference? Anyway, everyone is slowly leaving this afternoon, including me very soon. You should feel free to do the same!

Cheers,

Alex
What Did I Learn?

1. I shouldn’t be too hard on myself
2. The unexpected is adaptable
3. I don’t need to know everything right now – and that’s okay
