Please complete the following as part of the application:

1. As an Associate Editor, you must be able to read and understand scientific literature, as well as critically assess them. For this question, you will play the role of a WURJHNS Reviewer. You have been assigned to provide a thorough review of an article that was submitted to the WURJHNS. This article can be found at <http://ir.lib.uwo.ca/wurjhnsdocs/49/>. Please provide a review of this paper along with your decision to: accept the article, accept the article with minor revisions, suggest that major revisions are required, or reject the article.
2. The responsibilities of an Associate Editor include working with the Editors-in-Chief to increase readership and recruit manuscript submission. Please provide examples of how WURJHNS could increase readership and manuscript submissions.
3. Please provide your resume.
4. Please provide your availabilities for a 15- to 20-minute interview on Wednesday or Thursday March 27th and 28th, between 1:00–8:00 PM.

Thank you!
