A heavy timber struck her on the neck, breaking it instantly. Two other women remained in the barn and were uninjured. Several fatalities are reported from the BAY including the drowning of FRED NOYES of this city whose boat was swamped.

PICTON. JULY 16TH. A terrific storm of wind, hail and lightning, passed over PICTON about 7pm. last night. Lightning struck the following places in town:- Mrs. ABRICOMB'S house, knocking down two chimneys,following into the cellar; Mr. CLARK'S house, damage slight; Mr. GOURLAY'S residence, considerably damaged, and another just North of the COURT HOUSE and GAOL. The storm did not last long, but was very severe.

PETERBORO'. JULY 16TH. Last evening about 6pm. a terrible storm struck the town, coming from the Northwest. Incessant flashes of lightning accompanied with continuous rolls of thunder peals, a heavy rain, driven in waves by a gale, were the features of vthe storm here. On the ASHBURNHAM side of the river the barn of Mr. WILLIAM SPENCELY was struck by lightning and burned to the ground, with contents. In this vicinity orchard and other trees were uprooted. The storm in its way to town from the West, at IDA, in CAVAN TOWNSHIP, struck the barns of Mr. THOMAS JACKSON, blowing them down. Mr. JACKSON was struck by flying timbers and hurt, it is feared, fatally. A mile West the barns of Mr. ROBERT HOOTAN were also struck. From PETERBORO' the tempest took a Southwesterly course, and in ONTONABEE, about 7 miles from town, began its work of destruction, unroofing the barns of JAMES CONDON, WILLIAM LAMSON, (lifting the latter from its foundations and depositing it several feet distant), CREIGHTON MATCHETT, EDWIN HOWSON, WALTER RENWICK, jun., and WALTER RENWICK Sr., ERASTUS WOOD and DAVID KERR. Mr. RENWICK Sr., had taken refuge in the sheds, when the barn came crashing down, killing one cow outright, maiming other cattle and horses and severely injuring Mr. RENWICK and son. The former is in a dangerous condition. The destructive duration of the gale was only two minutes. It was one mile wide and about 7 miles in length.
