Our scope

Totem accepts papers on any subject within the fields of Socio-Cultural Anthropology, Archaeology, Biological Anthropology, and Linguistics, reflecting the composition of the Department of Anthropology at the University of Western Ontario. Our mandate, in general, is to publish research conducted within the department, though contributions from individuals at other institutions may also be considered. Submissions and enquiries should be addressed to Totem, c/o The Anthropology Student Union, The Department of Anthropology, University of Western Ontario, N6A 5C2. Totem is at present non-refereed. Though specialists may be consulted informally as needed, final selection of papers is the responsibility of the editors.

All submissions must contain a printed copy, accompanied by a 3.5” floppy disk containing the complete text of the paper formatted in Microsoft Word or WordPerfect formats, for either the Macintosh or IBM, though the use of Macintosh is encouraged. References and citations should conform to the standard used by Current Anthropology. The editors reserve the right to edit submissions.
