‘Acknowledgment’ key term in guides to science writing
Plus, acknowledging past research
Humanities has go-to move:

To Adduce
Ye Olde Citation:

To summon officially to appear in court of law - *OED*
Directly strengthens argument
From the beginning, think of summoning experts
Researchers find experts to testify in court
Cases = assignment topics
X number of relevant, formatted, credible works
How to judge credibility?
Watch Law & Order
Follow McCoy’s rubric

Mockability
Jack McCoy says:

« In other words, you’re not a psychologist, you just play one on the radio »
