Tornado F-Scale Assessment

Marci Vanhoucke

Tornado Data Production Assistant, Environment Canada

June 30, 2005.

Classification: Confirmed Tornado

Date: Saturday, May 7th, 1988.

Location: Devlin, Fort Frances – Rainy Lake

Assessment: F1

F-Code: AH

Explanation of Assessment: Eyewitness report of a tornado coming down on a house and a photo of the house missing its roof and east wall. The house does not look like it was very well built and it appears that the wall is still in one main piece. Due to the damage that the house sustained and the condition it was in, this tornado is rated an F1.
