Glencoe Area Hit By Wind, Buildings And Trees Damaged

Barns and Houses Suffer as Gale Sweeps Area; Fields of Corn Flattened; Barn on Farm West of Wardsville Blown Down

GLENCOE, July 24 — Heavy crop damage was caused when a storm of cyclone proportions swept this area at 4 o'clock this afternoon and was followed by an electrical storm.

Fields of corn were flattened, barns and houses were damaged and one automobile was wrecked when a tree was blown on top of it.

The roof of a metallic barn, owned by William Woods, was blown off and carried half a mile away.

A chimney on the home of Mrs. Catherine Young crashed through the veranda roof on to the floor.

Shingles were torn from the roofs of many homes. The south side of Glencoe was hit the hardest.

A car owned by Wilfred Lethbridge was damaged when a tree fell on it at Tait's Corners, five miles from here.

Hydro service was disrupted for some time.

BARN BLOWN DOWN

WARDSVILLE, July 24 — A heavy storm swept through here this afternoon and did a great deal of damage on the farm of Henry Saylor, four miles west of here, on highway No. 2. A large barn on the farm was blown down and the wind did an unestimated amount of damage to the orchard. The storm continued for about half an hour.
