

Thesis Change Report

If your thesis is found acceptable conditional upon revisions, please list the changes made after the examination below. Upon completion of these changes, designated examiners of your Thesis Examination Board will indicate that all changes have been satisfactorily completed by approving the thesis within Scholarship@Western.

Page(s)	Description of Change
14	Provide motivation and rationale for the work and how the work is to be used.
15	Discuss clearly whether Machine Learning was used and how this approach compares with Machine Learning approaches
