

Thesis Change Report

If your thesis is found acceptable with revisions/modifications required, please list the changes made after the examination below. Upon completion of these changes, designated members of your Thesis Examination Board will indicate that all changes have been satisfactorily completed by approving the thesis within Scholarship@Western.)

Page(s)	Description of Change
Chapter 3	Added figures illustrating scatterplots for individual HASQI values vs. individual MUSHRA values, added corresponding figure captions, added statistical descriptions in results, and added implications of individual data in the discussion section
Chapter 4	Removed brand names from hearing aids and anonymized them all to HA1, HA2, HA3, HA4, HA5
Chapter 6	Reinterpreted reliability of the simplex procedure by discussing the probability of making the correct sets of selections in a two-dimensional vs. three-dimensional design
All	Typographical errors and corrections
