Dear Lee,

REB # 5823

Project, "APPROVED ELSEWHERE: No Space to Sing: A Narrative Inquiry into the Experiences of Classical Singers with Primary Muscle Tension Dysphonia"

REB Clearance Issued: August 15, 2018

REB Expiry / End Date: May 31, 2019

Your project was previously approved by the Non-Medical Research Ethics Board at Western University on May 25, 2018. I have reviewed your proposal on behalf of the University Research Ethics Board at Wilfrid Laurier University and determined that it is ethically sound.

If the research plan and methods should change in a way that may bring into question the project's adherence to acceptable norms, please submit a "Request for Ethics Clearance of a Revision or Modification" form for approval before the changes are put into place.

If any participants in your research project have a negative experience (either physical, psychological or emotional) you are required to submit an "Adverse Events Form" to the Research Office within 24 hours of the event.

You must complete the online "Annual/Final Progress Report on Human Research Projects" form annually and upon completion of the project. ROMEO will automatically keep track of these annual reports for you. When you have a report due within 30 days (and/or an overdue report) it will be listed under the 'My Reminders' quick link on your ROMEO home screen; the number in brackets next to 'My Reminders' will tell you how many reports need to be submitted.

All the best for the successful completion of your project.
