

WCSE 2017 Restaurant Guide*

London is blessed with many interesting eating establishments that are suitable for Conference evenings. Most of our recommendations are a short cab ride, walkable if you are in the mood, or LTC buses (<http://www.ltconline.ca/Routes.htm#first-section>) south from campus on Richmond Street (#6) or Wellington (#13). If you can make a decision, just head for Richmond Street downtown and see what interests you.
